SELECTION PROCESS

- ✓ Offers will be made to participants upon the conclusion of their tryout. For most age groups, decisions regarding these offers will need to be made at the conclusion of the tryout.
- ✓ In the days following the tryout, if there are any remaining openings we will work to fill them, contacting those next-in-line for a given position.
- ✓ If you are getting pressured by others to make a decision but your first choice is to play with Skyline, then we urge you to contact us via email at mitch@skylinejrs.com. We will try our best to tell you where your daughter stands so you can make an informed decision.
- ✓ A position will not be held until we have received the first installment **and** you have signed the Offer and Acceptance Agreement. This Offer and Acceptance Agreement is for the entirety of the 2018-2019 season. You will be held to this contract.

Thank you and we look forward to meeting you.
